AUTHOR INDEX—VOLUME 86, 1998

Principal author entries are in **boldface**, with co-author cross-references in standard typeface. Titles of books, journals, and software are in *italic*.

Adams, Nancy *see* **Spang, Lothar**

Albright, Eric D.
Acquisitions in health sciences libraries edited by David H. Morse [review], 105

Allen, Margaret
Introduction to health sciences librarianship: a management handbook by Frank R. Kellerman [review], 105–7

Al-Ogla, Sulaiman
A study of hospital and medical libraries in Riyadh, Kingdom of Saudi Arabia, 57–62

Ancona, Annette M. *see* **Dimitroff, Alexandra**

Anderson, Rachael K.
Inaugural address, 137–9
Rachael Keller Anderson, Medical Library Association president, 1997–1998, 293–4

Annan, Gertrude L.
The Medical Library Association in retrospect, 1937–1967 [reprint], 270–8

Ball, Andrea L.; Su, Louise T.; Detlefsen, Ellen Gay
The Life Sciences Reference Research Institute [symposium editors], 377–409

Ballard, James E
The president's address [reprint], 229–32

Barkey, Daniel C.
Alternative medicine resource guide by Francine Feuerman and Marsha J. Handel [review], 621

Beatty, William K.
The bright thread: the *Bulletin*'s 75th anniversary [reprint], 237–48

Beman, Susan B. *see* **Dimitroff, Alexandra**

Bossen, Michael D. *see* **Coble, Coleen**

Bowden, Virginia M.
Health sciences library building projects, 1996–1997, 46–56

Braude, Robert M.
A medical librarian's progress, 157–65

Brinton, Margaret
Medical librarianship: some of its present day problems. Excerpt from Bull Med Libr Assoc 1924/25 Oct/Jan;14(2/3):28–38. [100 Years of MLA], 103

Brodman, Estelle
Money talks, but people count. Excerpt from Bull Med Libr Assoc 1965 Oct;53(4):567–72. [100 Years of MLA], 103

Broering, Naomi C.
From print to electronic: the transformation of scientific communication, 1997 by Susan Y. Crawford, Julie M. Hurd, and Ann C. Weller [review], 623
Presidential address, 118–20

Brown, Carolyn M.
Electronic searching of the health sciences literature: examples for end-user searching edited by Stephanie Fulton and Barbara J. Henry [review], 109
World Wide Web and other Internet information services in the health sciences: a collection of policy and procedure statements edited by Virginia A. Lingle and Eric P. Delozier [review], 108–9

Brown, Cecelia M.
Complementary use of the SciSearch database for improved biomedical information searching, 63–7

Browning, William.
Association of Medical Librarians. Minutes of first meeting [reprint], 228

Bunting, Alison
Excellence, promise, vision, and values: reflections on the Janet Doe Lectures, 1967–1997, 258–66

Burns, Carol A. *see* **Dee, Cheryl R.**

Burns, Taodhg *see* **Rashid, Shahida**

Campbell, Jeffey D. *see* **Giuse, Nunzia Bettinsoli**

Choi, Teresa A. *see* **D'Alessandro, Donna M.; D'Alessandro, Michael P.**

Coble, Coleen; Bossen, Michael D.; Hamilton, Patricia J.
Test-driving the Internet: a hospital collaborative pilot project, 410–12

Colaianni, Lois Ann
Hospital librarians and the Medical Library Association, 217–22

Colbert, Stephana I. *see* **D'Alessandro, Michael P.**

Cook, Martha C.; Hartman, Julia A.; Russell, Lisa Rains
Integrating personal computers into family practice: a comparison of practicing physicians and residents, 316–25

Corley, Pamela M.
Abortion and reproductive rights: a comprehensive guide to medicine, ethics and the law by J. Douglas Butler [review], 114

Crawford, Helen
Crossroads. Excerpt from Bull Med Libr Assoc 1974 Apr;62(2):178–81. [100 Years of MLA], 283

Cunningham, Eileen R.
The association faces the next fifty years. Excerpt from Bull Med Libr Assoc 1948 Oct; 36(4):242–7. [100 Years of MLA], 283

Curry, Ann; Smith, S. Tracie
Information on alternative medicine: a collection management issue, 95–100

D'Alessandro, Donna M. *see also* **D'Alessandro, Michael P.**

D'Alessandro, Donna M.; D'Alessandro, Michael P.; Galvin, Jeffrey R.; Kash, Jennifer B.; Wakefield, Douglas S.; Erkonen, William E.
Barriers to rural physician use of a digital health sciences library, 583–93

D'Alessandro, Donna M.; Qian, Fang; D'Alessandro, Michael P.; Ostrem, Steven E.; Choi, Teresa A.; Erkonen, William E.; Galvin, Jeffrey R.
Performing continuous quality improvement for a digital health sciences library through an electronic mail analysis, 594–601

D'Alessandro, Michael P. *see also* **D'Alessandro, Donna M.; Kienzle, Michael G.**
The University of Iowa Digital Library Project [symposium editor], 551–609

D'Alessandro, Michael P.; D'Alessandro, Donna M.; Galvin, Jeffrey R.; Erkonen, William E.
Evaluating overall usage of a digital health sciences library, 602–9

D'Alessandro, Michael P.; D'Alessandro, Donna M.; Kash, Jennifer B.; Wakefield, Douglas S.; Jurca, Denise A.; Schallau, Steven J.; Galvin, Jeffrey R.; Erkonen, William E.
A performance comparison of communication links between rural hospitals and a digital health sciences library, 564–8

D'Alessandro, Michael P.; Galvin, Jeffrey R.; Erkonen, William E.; Choi, Teresa A.; Lacey, David L.; Colbert, Stephana I.
The Virtual Hospital: experiences in creating and sustaining a digital library, 553–63

Dalrymple, Prudence W.; Scherrer, Carol S.
Tools for improvement: a systematic analysis and guide to accreditation by the JCAHO, 10–16

Darling, Louise
Personal views on personnel administration: some after-dinner remarks. Excerpt from Bull Med Libr Assoc 1970 Jul;58(3):246–9. [100 Years of MLA], 103

Dee, Cheryl R.; Rankin, Jocelyn A.; Burns, Carol A.
Using scientific evidence to improve hospital library services: Southern Chapter/Medical Library Association journal usage study, 301–6

DelBaglivo, Megan *see* **Fishman, Diane L.**

Celebrating the past; anticipating a bright future (Homan) [editorial], 285–6
[Centennial symposium] Introduction: The Medical Library Association as a reflection on the profession and society (Lipscomb), 250
Characteristics of reference transactions—challenges to librarians' roles (Li), 610–12
Citation analysis in journal rankings: medical informatics in the library and information science literature (Vishwanatham), 518–22
An essay on reflection (McClure), 251–7
Evolving roles of life and health sciences librarians for the twenty-first century (Funk), 380–4
Excellence, promise, vision, and values: reflections on the Janet Doe Lectures, 1967–1997 (Bunting), 258–66
Hospital librarians and the Medical Library Association (Colaianni), 217–22
The Life Sciences Reference Research Institute: introduction (Ball), 378–9
The medical librarian as chief information officer (Greer), 88–94
A medical librarian's progress (Braude), 157–65
The Medical Library Association in retrospect, 1937–1967 (Annan) [reprint], 270–8
MLA's professional development program: how we took control of our future (Roper), 211–16
Rachael Keller Anderson, Medical Library Association president, 1997–1998 (Anderson), 293–4
Views from the *Bulletin*: [anonymous] Charles Perry Fisher: qualifications of a medical librarian; an illustrative case. Excerpt from Med Libr 1901 May/Jun;4(3):66–7. [100 Years of MLA], 425
Views from the *Bulletin*: Brodman, E. Changing concepts in the role of the medical librarian in the 20th century. Excerpt from Bull Med Libr Assoc 1957 Oct;45(4):480–5. [100 Years of MLA], 425
Views from the *Bulletin*: Matheson, N.W. The clouded crystal ball and the library profession. Excerpt from Bull Med Libr Assoc 1977 Jan;65(1):1–5. [100 Years of MLA], 425
Who needs evidence-based health care? (Tsafrir), 40–5
Libraries, academic health sciences
Academic medical center libraries on the Web (Tannery), 541–4
Characteristics of reference transactions—challenges to librarians' roles (Li), 610–12
Clinical medical librarianship: the Vanderbilt experience (Giuse), 412–16
Electronic reserves: the changing landscape of instructional support (Freiburger), 17–25
Health Sciences Information Tools 2000: a cooperative health sciences library/public school information literacy program for medical assistant students (Spang), 534–40
Health sciences library building projects, 1996–1997 (Bowden), 46–56
Implementation and evaluation of information desk services provided by library technical assistants (Graves), 475–85
The Information Commons: a model for (physical) digital resource centers (Duncan), 576–82
Rich in resources/deficient in dollars! which titles do reference departments really need? (Fishman), 545–50
A study of hospital and medical libraries in Riyadh, Kingdom of Saudi Arabia (Al-Ogla), 57–62
The vital few meet the trivial many: unexpected use patterns in a monographs collection (Eldredge), 496–503
Libraries, biomedical
Positioning the library at the epicenter of the networked biomedical enterprise (Stead), 26–30
The work of an association of medical librarians (Gould) [reprint], 223–7
Libraries, dental
The Indiana University School of Dentistry archives: back to the future (Hook), 416–19
Libraries, digital *see* **Digital libraries**
Libraries, hospital
Going beyond information management: using the *Comprehensive Accreditation Manual for Hospitals* to promote knowledge-based information services (Schardt), 504–7
Health sciences library building projects, 1996–1997 (Bowden), 46–56
Hospital librarians and the Medical Library Association (Colaianni), 217–22
Hospital library service and the changes in national standards (Glitz), 77–87
Innovation and survival: a case study in planning medical library services (Rashid), 508–17
Medical libraries in hospitals (Myers) [reprint], 267–9
A study of hospital and medical libraries in Riyadh, Kingdom of Saudi Arabia (Al-Ogla), 57–62
Test-driving the Internet: a hospital collaborative pilot project (Coble), 410–12
Tools for improvement: a systematic analysis and guide to accreditation by the JCAHO (Dalrymple), 10–16
Using scientific evidence to improve hospital library services: Southern Chapter/

Medical Library Association journal usage study (Dee), 301–6
Libraries, veterinary
Library use and information-seeking behavior of veterinary medical students revisited in the electronic environment (Pelzer), 346–55
Library services
Hospital library service and the changes in national standards (Glitz), 77–87
The Information Commons: a model for (physical) digital resource centers (Duncan), 576–82
Innovation and survival: a case study in planning medical library services (Rashid), 508–17
Using scientific evidence to improve hospital library services: Southern Chapter/Medical Library Association journal usage study (Dee), 301–6
Library staff, paraprofessional
Implementation and evaluation of information desk services provided by library technical assistants (Graves), 475–85
Lindberg, Donald A.B.
MLA President's Award, recipient, 131
Liu, Lily W.
EBSCO/MLA Annual Meeting Grant, recipient, 129
Liverpool Health Service, Ken Merten Library, New South Wales, Australia
Health sciences library building projects, 1996–1997. Submitted by Kay Vincent (Bowden), 50–1
Long (Earl K.) Medical Center Library, Baton Rough Louisiana
Health sciences library building projects, 1996–1997. Submitted by Eileen Stanley (Bowden), 48–50
LoSasso, John S.
MLA headquarters in review: efficiency, stability, recognition, resolution (Funk), 289–91
